Art Unit: 1618

Claims 1-35 are presented for examination.

Claims 8 and 25 are rejected under 35 U.S.C. 112 second paragraph for the reasons set forth on page 2 of the office action of May 17, 2005.

Claims 19-35 are rejected for the reasons set forth on page 2 of the office action of May 17, 2005.

Applicant's arguments and remarks have been carefully considered, but are not deemed to be persuasive. Claims 1 and 9 do not have the limitation of sodium chloride of 0.75%. Applicant's arguments regarding the 112 first paragraph are not also well taken. The instant specification fails to provide an adequate written description to support the phrase "a method of providing a therapeutic application onto living being" and the conditions that are covered by that phrase.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
